Livonia MI 48154
(734) 953-9643

The Detroit Alumnae Panhellenic Association is pleased to announce its annual Scholarship Program for Michigan Panhellenic collegians. In the spring at our annual Scholarship luncheon the Association will present up to four \$500 scholarships to outstanding young sorority women. This Program is merit, not financial based, and thus involvement in sorority and university activities takes precedence.

Criteria for the Scholarship Program are as follows:

- Applicants must be initiated members of a NPC sorority.
- Applicants must be in good standing with their respective sorority.
- Applicants must attend a Michigan college or university.
- Applicants must have a home address in Michigan.
- Applicants must be enrolled as full-time students at their school for the semester or term following the award.

The application process consists of:

- A short narrative letter (not essay) completed by applicant that describes her interests, future plans, sorority and school activities. This letter should enhance, not repeat the application form.
- A completed application form.
- An official copy of the applicant's college transcript.

Please send all materials in one envelope to the D.A.P.A. Scholarship Chair by February 27, 2009. Late or incomplete applications will not be considered. Winners will be notified by telephone and letter and invited to attend the D.A.P.A. Annual Spring luncheon.

If you have additional questions or need more information, please contact the Scholarship Committee Chair:
